COMMUNITY COLLEGE

2015 Breakout Session Descriptions

Tech Prep Welcome Session

Learn about the many opportunities available to Tech Prep students at Sinclair Community College. Pick up tips on registration, college credit, and the Tech Prep scholarship.

How Do I Get Started? Transitioning from Tech Prep to Sinclair

Tech Prep students have completed many of the enrollment steps already. Learn more about placement testing, New Student Orientation, and navigating campus to complete the transition to Sinclair!

Sticker Shock! How to Beat the High Cost of College: Financial Aid and the Tech Prep Scholarship

Don't think that soaring costs have put a college education out of reach. The Miami Valley Tech Prep Consortium has developed pathways to make college affordable and career-focused! This session will cover topics such as the basics of financial aid, the Tech Prep Scholarship, FAFSA and more.

Discount on a Bachelor's Degree: The University Parallel Program

A University Parallel program combines two years at Sinclair with a seamless transfer to a four year college or university of your choice. By using the Tech Prep scholarship to help pay for the first two years, you can get a discounted Bachelor's degree! Learn how to make that transition while saving time and money.

The Importance of Academic Advising

The transition from high school to college generates many exciting opportunities, but it can also present unique challenges when it comes to making important decisions. Academic advisors help you with career exploration, assist with defining educational goals, and create your MAP (My Academic Plan) as well as provide information, encouragement, and advice for making good decisions. Find out how advisors play a key role in ensuring your academic success!

Academic Support: Developing a Plan for Success

The most important aspect of college is academic success. The Sinclair Center for Student Success offers many services for students who need guidance and support to help ensure this success. Learn about these important service departments available on campus including: Counseling Services, Multicultural Student Support, Ombudsman, Pathway to Completion, and the Taylor Scholarship.

Internships: The New Entry Level Job!

Experiencing an internship in your field of study is the best way to begin your career. Get hands on experience and land a job after (or before!) you graduate. Join us to learn more about internship opportunities at Sinclair.
