

MIAMI VALLEY
TECHPREP
CONSORTIUM

ECE/Education and Training Tech Prep Summit

Date: Thursday, March 2, 2017 **Time:** noon to 3:00PM **Location:** Building 6, Room 142

Attendees: Jess Moore (MVTPC), Nina Allen (MVTPC), Josiah Wahlrab (MVTPC), Lisa Powell (WCCC), Anne Manning (CHS), Michelle Claggett (KFHS), Connie Marshal (MVCTC), Traci Robinson (Butler Tech), Nancy Sikora (Sinclair), Phyllis Adams (Sinclair)

1. Miami Valley Tech Prep Consortium update

- a. **2016-17 enrollment** – Jess shared a portion of the PowerPoint presented at the spring 2017 Tech Prep Coordinator Meeting held on Thursday, March 9 from 9AM-noon in 12-116. The number of students enrolled in with the MVTPC during fall 2016 was 10,698 (as of early December 2016). Also during the fall 2016 term, there were 3,261 former Tech Prep students enrolled at Sinclair. The slides included a breakdown of MVTPC demographics (number of students by pathway/student and percentages depicting gender and ethnicity), as well as student matriculation data from 2010-2016, degrees/certificates earned by Tech Prep students by academic division, Sinclair Tech Prep scholarships awarded over the past 11 years, and finally, total scholarships and grants disbursed to Tech Prep students enrolled at Sinclair from 2005-2016.
- b. **Multiple Measures (alternative data sources for placement)** – Jess shared that this initiative had an update in January 2017. MVTPC Director, Wendell Meyers shared the update via email to each partner school/district's Tech Prep coordinators. The new policy can be found on the MVTPC web site here:
<http://www.mvtechprep.org/index.cfm/resources/college-readiness>.
- c. **End of year credit capture** – Josiah presented to the group about possible changes in the credit capture process for the spring of 2017. Attendees provided feedback and encouraged MVTPC to keep the process simple and streamlined. The credit capture process has been posted to the MVTPC web site:
<http://www.mvtechprep.org/index.cfm/resources/credit-capture-process>. Jess will coordinate with Josiah to ensure that credit captured for ECE 1101 and ECE 1100, whether it is AA or PR credit, will be as simple and time-efficient as possible. Any questions about credit capture can be sent to Josiah.wahlrab@sinclair.edu or timothy.bryant@sinclair.edu.

2. Nancy Sikora, Tech Prep Faculty Liaison, ECE

- a. **Course updates/information** – Nancy shared that she had uploaded requested ECE resources to the ECE resource shells in eLearn. Jess discovered through conversations with the CTE teachers that they had *not* been added to the master shell to access these materials, and immediately after the meeting made sure to reach out to the office eLearn shell coordinator to make sure this happened. All teachers were provided access to resources that day and notified by email. Nancy also added that there would be some changes in the two ECE courses in the foreseeable future, and to stay tuned for updates. Most likely we will need the ECE teachers to meet up again in the late summer/fall of 2017 to address changes/revisions. Lastly, Nancy shared that she is available to make classroom visits to share information with seniors about transitioning to Sinclair/ECE program, etc. to any teacher who is interested in hosting her. The only day that does not work for Nancy this term is Tuesday.

3. Phyllis Adams, Chair, ECE/EDU/ASL

- a. **Department update/University transfer opportunities** – This year the EDU department rolled out the Elementary Education (ELEE.S.AA) University Parallel degree option. Per the 2016-17 Sinclair catalog, “this Associate of Arts degree program in Elementary Education is designed to serve as a transfer degree for those students interested in teacher education in grades K-3. All courses in this degree are Ohio Transfer Module (OTM) courses or Transfer Assurance Guide (TAG) courses and are designed to transfer seamlessly to any state (and some private) Ohio colleges and universities and to apply toward a baccalaureate degree in Early Childhood Education.” Phyllis also shared that Sinclair is moving forward to expand ECE/EDU articulation agreement (Bachelor's completion for education-related degrees) opportunities with a number of Ohio universities including: BGSU, Miami U, Central State, Urbana University, UC, and WSU. The UD Sinclair Academy is already

underway, and CTE teachers and students were notified about the great articulation agreements on file with the School of Education and Health Sciences: <https://www.udayton.edu/academy/articulation-agreements.php>.

4. ODE and ODHE updates

- a. **Forthcoming meeting with Mary Jo Kohl/ODE** – There is an anticipated meeting for Education and Training CTE teachers with ODE Program Specialist for Education and Training, Mary Jo Kohl, but at the time of the meeting date/time/location was TBD. Jess chatted with Mary Jo right before the Summit, but she was unable to provide any details about the meeting. She did, however, share some information about forthcoming Education/ECE CTAG roll outs (see below).
- b. **2016 Education and Training Career Field Pathways and Course Structure** – They are located on the ODE website at this page: <https://education.ohio.gov/Topics/Career-Tech/Education-and-Training-Career-Field>
- c. **CTAGs for ECE/EDU** – Mary Jo shared with Jess during their phone chat that the ODHE/ODE is currently revising the Introduction to Education CTAG (Mary Jo said she was confident that teachers would welcome the new portfolio guidelines that will be rolled out next year), and it is anticipated that ODE/ODHE will introduce three new CTAGs for ECE. Ryan Cupp from ODHE shared the following information regarding which ODE subject codes will align with the EDU/ECE CTAGs: **Education Principles 350010, Early Childhood Education Principles 350205, Health, Safety, and Nutrition 350230, Infant and Toddler Education 350210**. When the new CTAGs are released, they will appear on this web page: <https://www.ohiohighered.org/transfer/ct2/ctags>.

5. **Junior Career Exploration Days** – Jess will reach out to teachers next fall to inquire about setting up Sinclair campus visits/tours. This past year's Career Exploration Days went really well, and next year Jess will continue to build upon and attempt to improve the visits for the students. Stay tuned!

6. Nina Allen, Data Technician (MVTPC), Sinclair Student Services outreach initiatives and incentives

- a. **Onsite advising** – From the previous year, this initiative mostly changed from onsite registration to onsite advising. Sinclair student services offices will work with partner schools that have students interested in attending Sinclair in the fall, though it will *mostly* involve intense advising with “next steps” so that students have more responsibility in their future (i.e., knowing what all it takes to register, pay, withdraw, etc.)
- b. **Buy One, Get One (BOGO) summer courses at Sinclair** – Last summer 284 students (mostly 2015 grads) registered, and of those around 50 with drew leaving a total of 234 students participating. Almost 80% completed and 74% continued on to take classes in the fall. We will be looking at spring 2017 numbers after semester ends. This year the BOGO offer is for both 2017 Tech Prep grads and 2016 Tech Prep grads. Details about the BOGO offer may be found here: <http://www.mvtechprep.org/index.cfm/gallery/bogo-2017>
- c. **Tech Prep Express Registration** – Two dates are scheduled for Express Registration for spring 2017. Details can be found here: <http://www.mvtechprep.org/index.cfm/gallery/express-registration-days-2017>

7. College Transition

- a. **Sinclair application** – Any students who completed the Sinclair Tech Prep application fall 2015 and plan to attend Sinclair summer of 2017 or fall of 2017 must reapply to Sinclair by following this link: <https://apply.sinclair.edu/standard.cfm>. An explanation for the reapplication process may be found at www.mvtechprep.org by clicking on the “2017 Re-application Notice” link on the right-hand side of the page.
- b. **New Sinclair/Tech Prep tri-fold** – The MVTPC office worked closely with the Sinclair Marketing Department to create a double-sided tri-fold that provides pertinent information to Tech Prep students regarding: documenting their CTE program/program teacher, Sinclair Tartan ID numbers, courses for which they may earn college credit, links to other scholarship opportunities, a complete list of degree and certificate programs offered at Sinclair, etc. These were delivered to partner schools in January and February for teachers to share with their students. They were distributed a little later than the Tech Prep office had intended. Some edits/revisions will most likely be made for the 2017-18 tri-fold, and it should be ready for CTE teachers to disseminate to students in the fall of 2017.
- c. **Getting Ready for College** – The 2017 Getting Ready for College (GRFC) event took place on Thursday, February 16th from 5:30PM-7:30PM, and attendance this year was at an all-time high with an estimated 600 students/family members in attendance. Next year's event is scheduled for Thursday, February 15, 2018.
- d. **Scholarship packets** – Partner schools will receive their scholarship packets by dates requested to the MVTPC office. This typically happens in late April and continues through May.

- e. **Ordering Sinclair transcripts** – Students may order official Sinclair transcripts by following this link: <http://www.sinclair.edu/services/basics/registration-and-student-records/student-records/transcripts>.
- f. **University Transfer opportunities** – Students who matriculate to Sinclair have many opportunities to continue on to complete bachelor’s degrees at four-year colleges and universities that have articulation/transfer agreements with Sinclair. Detailed information about these opportunities may be found here: <https://www.sinclair.edu/about/offices/provost/articulation-transfer>. For those students particularly interested in completing at Wright State or UD, there are additional web sites available detailing programs of study and special incentives for transfer students. The UD Sinclair Academy link may be found here: <https://www.udayton.edu/academy> and the Wright State Sinclair Double Degree link may be found here: <http://www.wright.edu/sinclair-double-degree>.

8. Tech Prep Scholarship

- a. **Change in policy announced summer 2016** – Just a reminder that Sinclair Tech Prep scholarship recipients may use their scholarship dollars to pursue *any* degree or certificate program at Sinclair. Students may take classes at any Sinclair location or online and use their scholarship award money. Details about this summer 2016 policy change may be found here: <http://www.mvtechprep.org/index.cfm/resources/scholarship-update>

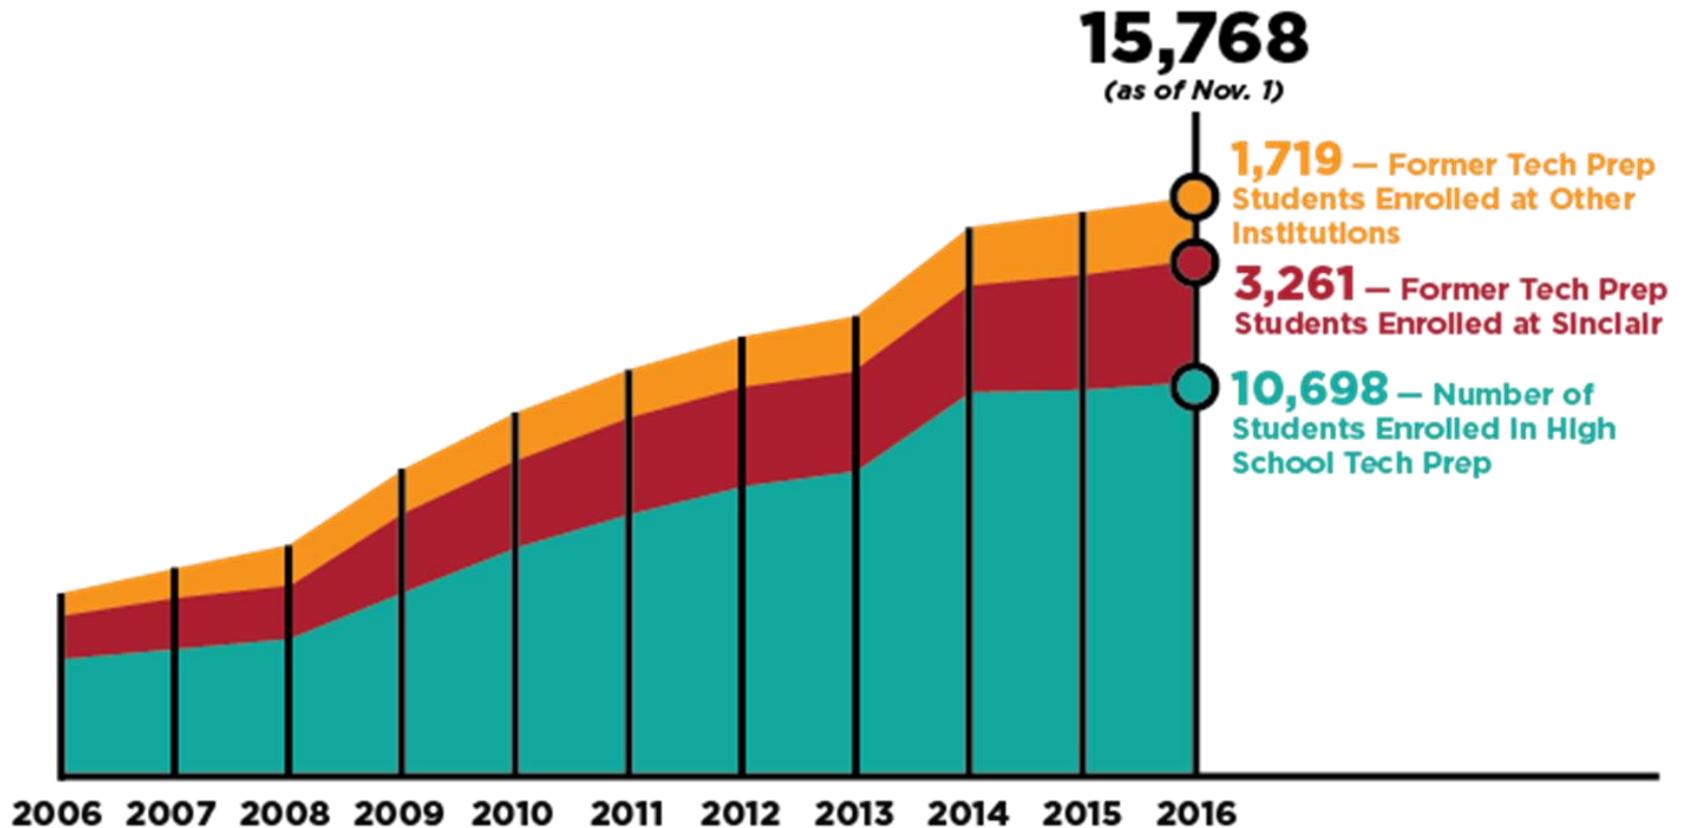

- 9. **Fall Tech Prep application process** – At the time of the Summit and at the time of publishing Summit notes there are no definite changes to report, but stay tuned for any notifications from the Tech Prep office in early fall (August or September) regarding the Tech Prep student application process.

10. End of the year info capture processes

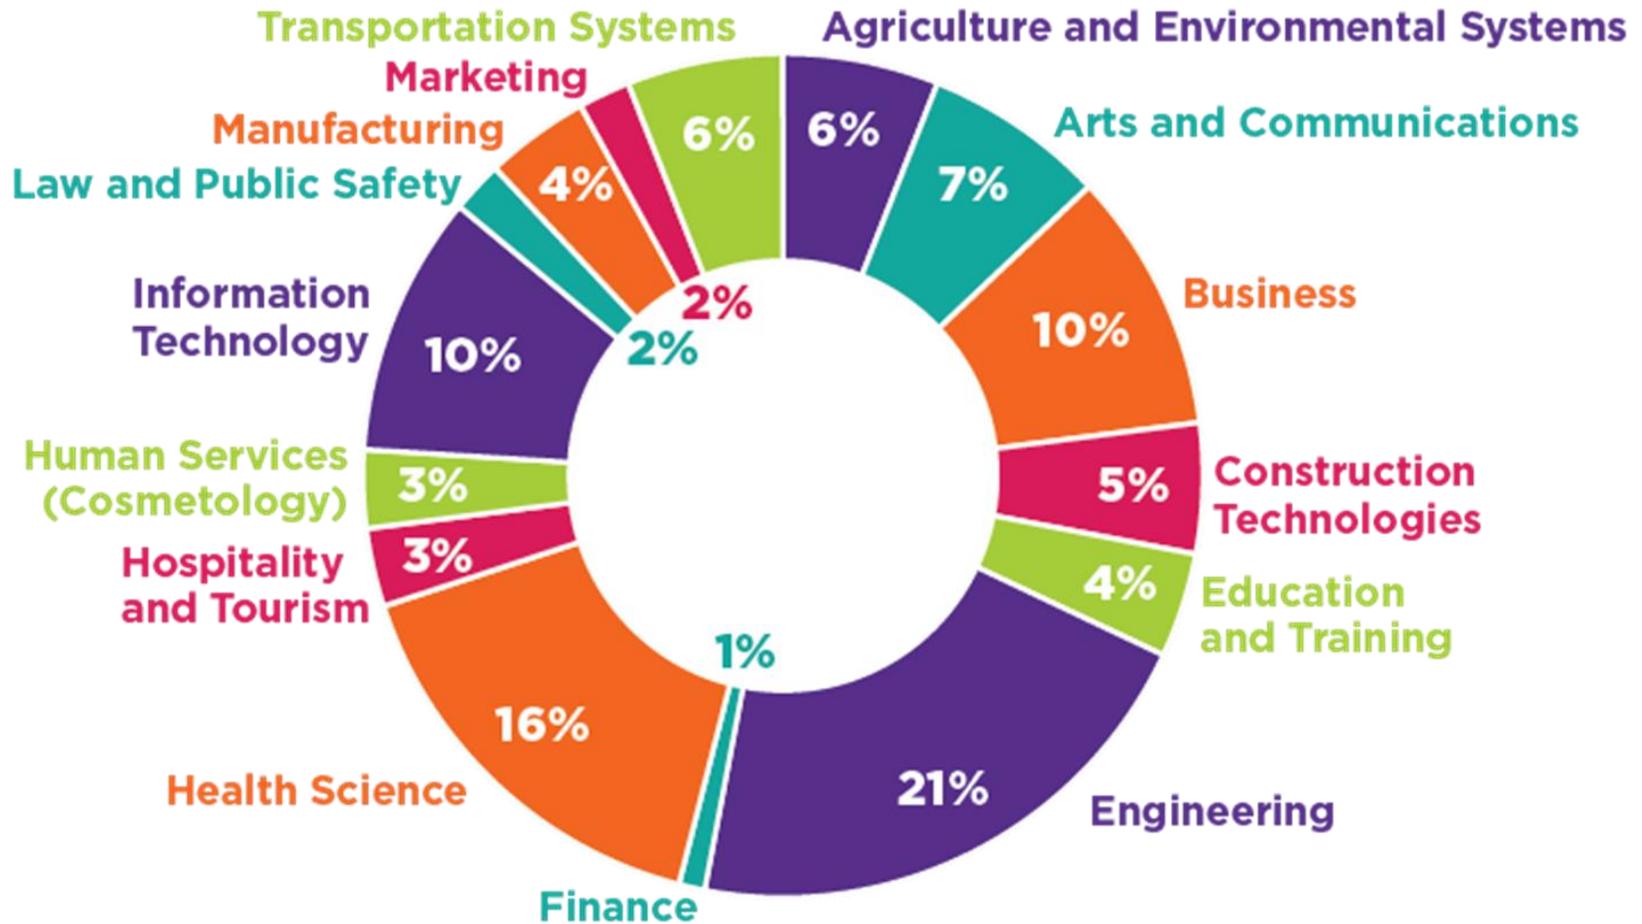

- a. **Non-Employee Account Request** – Any teachers planning to offer eLearn proficiency options for their students must contact Tim Bryant timothy.bryant@sinclair.edu/937-512-2406 in the Tech Prep office for a non-employee network account form. If a teacher has already completed the form through the Tech Prep office, Tim is able to renew an account from one year to the next without the teacher completing the form again.
- b. **Teacher demographic information updated for 2017-2018** – If teachers anticipate any changes to their contact information (email, telephone #, job title) for the next school year, please let Jess Moore at jess.moore@sinclair.edu/937-512-5141 know so she can notify the Tech Prep data team of any updates/changes.

Miami Valley Tech Prep Update

MVTPC Student Demographics

Miami Valley Tech Prep – Sinclair Student Matriculation Data

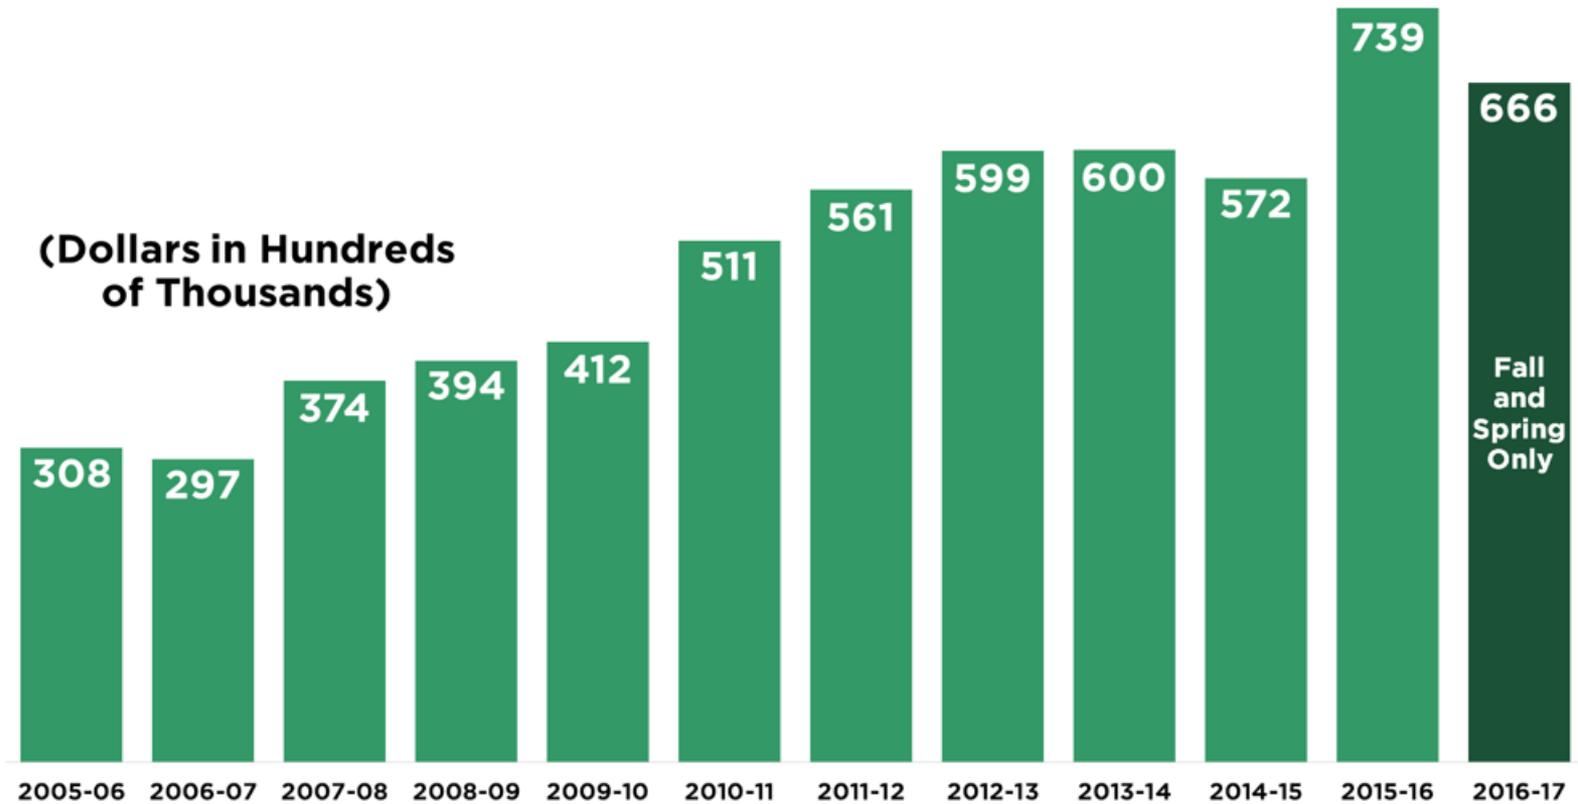

Sinclair Degrees and Certificates Earned by MV Tech Prep Students

Sinclair Foundation Miami Valley Tech Prep Scholarships

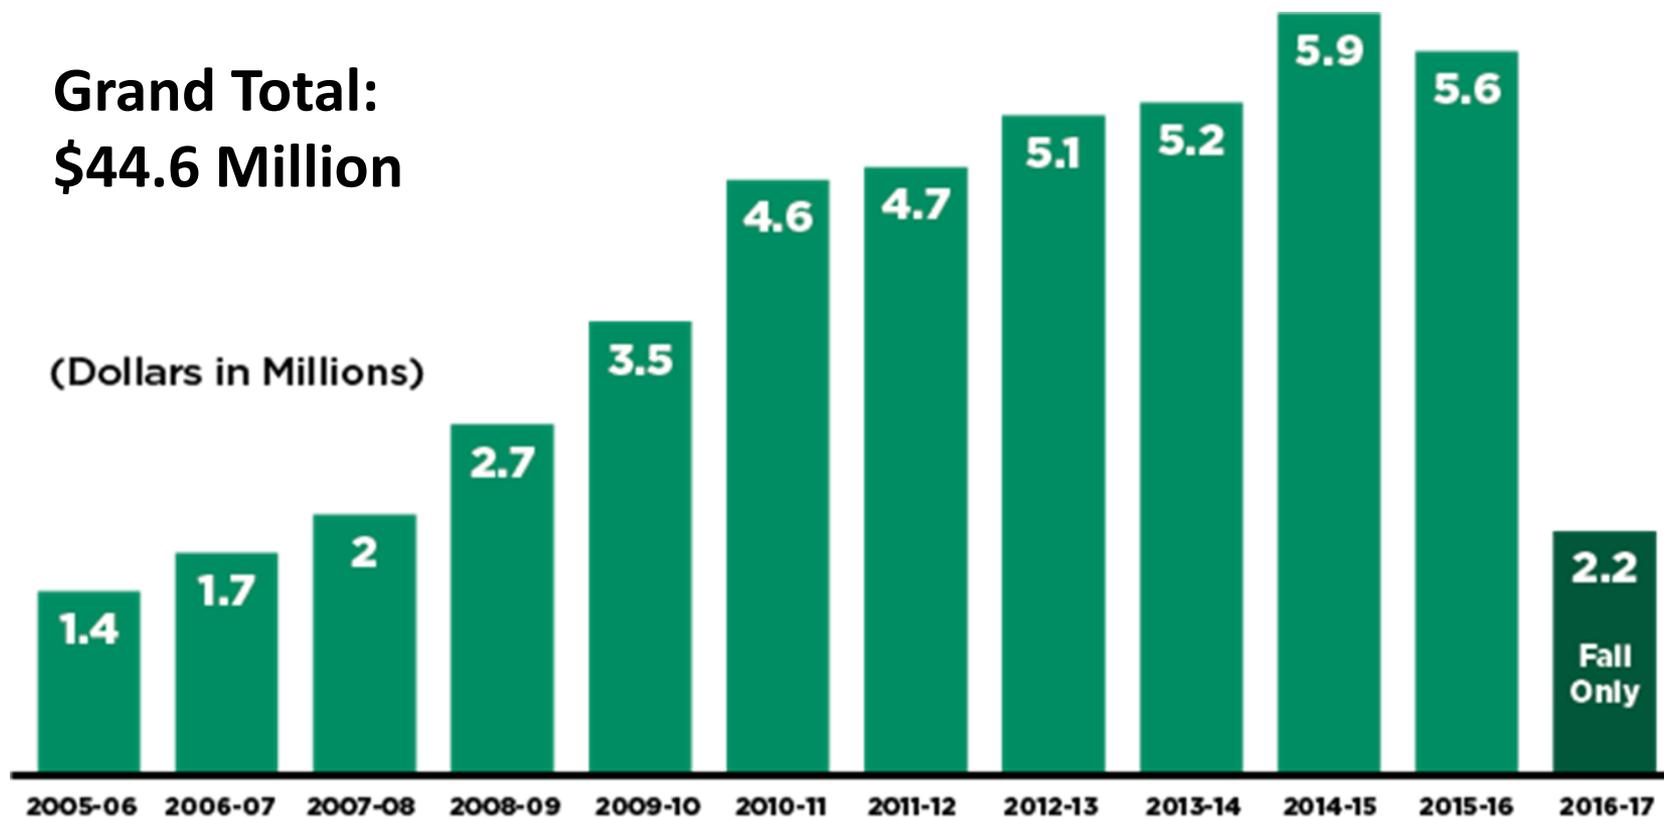

Grand Total: \$6 Million

Total Scholarships and Grants Disbursed to Miami Valley Tech Prep Students Enrolled at Sinclair

Grand Total:
\$44.6 Million

(Dollars in Millions)

Semester 1	Semester Course Title	Credit Hours
ECE 1101	Introductory Child Development	3
EDU 1100	Introduction to Education	3
ENG 1101	English Composition I	3
HIS 1111 or 1112 (OTM A/H)	Western Civilization I or II	3
PSY 1100 (OTM SBS)	General Psychology	3
	<i>Successful Passage of OEA (formerly Praxis I)</i>	
		Total 15
Semester 2	Semester Course Title	Credit Hours
ECE 2200	Families, Communities, and Schools	3
OTM SBS	Social and Behavioral Science Elective (non-Psy. Could be SOC or GEO)	3
PSY 2242	Educational Psychology	3
ENG 1201	English Composition II	3
OTM (NPS)	Any OTM Natural/Physical Science (can specify for each transfer school)	3
		Total 15
Semester 3	Semester Course Title	Credit Hours
EDU 1105	Individuals with Exceptionalities	3
COM 2211	Effective Public Speaking	3
REL 1111 or 1112 or Multicultural (OTM A/H)	Eastern Religion or Western Religion Or Multicultural Course	3
MAT 1410	Numerical Concepts for Teachers	4
Elective	Any Course	3
		Total 16
Semester 4	Semester Course Title	Credit Hours
OTM (NPS)	Any OTM Natural/Physical Science (can specify for each transfer school)	4
Any Elective	Any course	3
OTM A/H Elective	HIS 1102, PHI 2205, REL 1111 OR 1112	3
MAT 1420	Algebra and Data Analysis for Teachers	4
		Total 14

The suggested sequence presented here is designed for full-time students. Those who have not completed prerequisites, required DEV courses, or enroll part-time, will require additional semesters.

Elementary Education Associate of Arts Degree 61 Credit Hours

For UD transfers

Semester 1	Semester Course Title	Credit Hours
ECE 1101	Introductory Child Development	3
EDU 1100	Introduction to Education	3
ENG 1101	English Composition I	3
HIS 1112 (OTM A/H)	Western Civilization II	3
PSY 1100 (OTM SBS)	General Psychology	3
	<i>Successful Passage of OEA (formerly Praxis I)</i>	
		Total 15
Semester 2	Semester Course Title	Credit Hours
ECE 2200	Families, Communities, & Schools	3
OTM SBS Geo 1102	Physical Geography	3
PSY 2242	Educational Psychology	3
ENG 1201	English Composition II	3
BIO 1111 (OTM NPS)	General Biology I	4
		Total 16
Semester 3	Semester Course Title	Credit Hours
EDU 1105	Individuals with Exceptionalities	3
COM 2211	Effective Public Speaking	3
REL 1111 or 1112 or Multicultural (OTM A/H)	Eastern Religion or Western Religion Or Multicultural Course	3
MAT 1410	Numerical Concepts for Teachers	4
ECE 2300 (Any Elective)	Inclusion	3
		Total 16
Semester 4	Semester Course Title	Credit Hours
PHY 1100/GLG 1101 (OTM NPS)	Introduction to Physics/General Geology	4
HIS 1101 (Any Elective)	US History I	3
PHI 2205 (OTM A/H Elective)	Introduction to Philosophy	3
MAT 1420	Algebra and Data Analysis for Teachers	4
		Total 14

The suggested sequence presented here is designed for full-time students. Those who have not completed prerequisites, required DEV courses, or enroll part-time, will require additional semesters.

**Elementary Education
Associate of Arts Degree
62 Credit Hours
*For WSU transfers***

Semester 1	Semester Course Title	Credit Hours
ECE 1101	Introductory Child Development	3
EDU 1100	Introduction to Education	3
