as of March 1, 2016

Your personalized financial aid award was designed to help you focus on what really matters — your future.

The real cost of your degree[®]

This overview is for reference; your dean's office will determine your expected graduation date.

				
	Semesters 1 & 2	Semesters 3 & 4	Semesters 5 & 6	Semesters 7 & 8
Tuition	\$X,XXX	\$X,XXX	\$37,230	\$38,340
Scholarship and grants [®]	n/a	n/a	\$20,350	\$21,460
Your net tuition cost[®]	\$X,XXX	\$X,XXX	\$16,880	\$16,880

To maintain your net tuition plan, simply file the FAFSA each year, maintain the academic requirements of the UD Sinclair Academy, and be a responsible member of the Sinclair and University of Dayton communities. We understand your plans may change; to provide you peace of mind, this guarantee is in place as long as you enroll at UD by fall 2019.

Ⓢ If you have questions about your Sinclair financial aid award, contact Sinclair. To receive the UD award, you must be a full-time student.

Ⓢ Scholarships and grants help you pay for college, and no repayment is needed. While at UD, your gift aid will include:

- Merit Scholarships: \$11,000
- Grants from UD: \$3,500
- Federal, state and other gift aid: \$5,000

Ⓢ Your tuition cost, also known as net tuition, is the cost of tuition minus your grants and scholarships. During your first four semesters, you will be billed based on your enrollment at Sinclair. While at UD, your net tuition is guaranteed, as scholarships and grants will increase to keep your net tuition cost at the 2016-17 rate.

★ You will have additional costs for housing, meals, transportation and other living expenses. The estimated costs for transportation and personal expenses is \$4,250 per year. If you decide to live on campus once you enroll at UD, residential housing is estimated at \$X,XXX per year.

Ensuring your success from every angle — like no one else can.

The UD Sinclair Academy allows you to receive a top-quality education and prepare for a successful future. In fact, 97% of UD graduates are employed, in graduate school or in a full-time volunteer program within six months of graduation.

Your UD academic adviser is available to help ensure the credits you earn will apply to your UD degree — and connect you with resources to ensure your success.

Experience the benefits of student life at a fraction of the cost: You'll save \$XX,XXX in tuition as a student in the UD Sinclair Academy.

Because you received the textbook scholarship, we will provide up to \$500 per semester for your UD textbooks.

While at Sinclair, you will have access to UD academic advising, recreation facilities, Flyers athletic events and more than 240 student clubs. You will also have an official UD student ID card.

Employers want global leaders, and you can globalize your education at locations in China, Ireland or Spain at no additional cost. A \$3,000 study abroad scholarship is also available.
