---

### To Qualify

In order to qualify for this Tech Prep program, a student must have met the following qualifications by the end of the sophomore year of high school: Completed algebra I (or equivalent) with a “C” or better, earned a minimum 2.0 G.P.A., and have junior standing with no academic deficiencies. Preferences for entering a Tech Prep program include computer keyboarding skills and good attendance.

### 11th Grade Tech Prep Classes

Business labs include economics, business principles, communication, computer programming, and legal concepts. College prep academics include English III, algebra II, and social studies.

### 12th Grade Tech Prep Classes

Business labs include customer relations, general accounting, marketing, financial principles, computer programming, and teamwork. College prep academics include English IV and social studies.

### College

Earn an associate degree from Sinclair Community College. Choose from Accounting Technology, Financial Management, Legal Assisting, Marketing, Business Information Systems, or Procurement & Materials Management.

For students wishing to continue their education, Sinclair has articulation agreements with Antioch University, Capital University, Central State University, Indiana University East, University of Cincinnati, University of Dayton, Urbana University, Wilberforce University, and Wright State University.

### Career Prospects

This is a broad professional field with a variety of career choices. For more specific information regarding careers and salaries, refer to the U.S. Department of Labor web site at <http://www.bls.gov/oco/>.
