

As a participant in a Career Tech Program, you have the opportunity to access many benefits through the Sinclair Miami Valley Tech Prep Consortium. These benefits include the opportunity to earn college credit at no cost to you, participation in career exploration events, and eligibility for scholarships to Sinclair.

To access these benefits, you'll need to complete a Sinclair Tech Prep application. This worksheet is designed to help you gather the necessary information in advance, making it easier to complete the application online. To apply and learn more about Tech Prep, visit www.mvtechprep.org.

Legal First and Last Name (preferred name option available after admitted)	
Email Address (NOT a school or iCloud email - access to this email address is necessary to create an account and access the application)
