

Tech Prep Student,

Throughout the rest of your high school career, you will have the opportunity to earn college credit for some of the work you are doing now. This credit, along with the opportunity to earn a scholarship, is awarded through Sinclair Community College.

This application is necessary for Sinclair to award college credit and very likely, a scholarship. It **cannot be processed** without a home address and social security number.

Completing this application does not obligate you to attend Sinclair upon graduation.

To make the application easier for you, we have provided an information sheet that you can complete prior to this application. If you have not received that sheet, please ask your career/technical teacher.

Please understand that this is an annual process for all students who are in the Tech Prep program (career/technical) in your school.

Enter your birthdate, legal sex (*used on government forms*), and other demographic information on this page.

A social security number is required to process your application.

If you do not have it today, continue on for now, but do not submit your app yet. You will be able to log back in to finish later, once you have it. Students with an unassigned SSN: contact the Tech Prep Office.

Only enter numbers, not dashes

While not required for Sinclair, some schools require students to provide an SSID. *Ask your teacher if unsure.*

Click Save and Continue.

Address Information

Although there is no tuition associated with Sinclair credit earned through Career Tech Education, Sinclair requires at least one continuous year's worth of address history, as well as a valid street address, to make a determination about your residency for tuition purposes. If you do not provide this information on your application, your residency may be set to "Out of State resident," and a hold may be placed on your record, preventing registration in courses.
