Additional course details or requirements important for instructors not covered above:

From Faculty Sue Raffee: As a faculty for this course you will need to request and create a faculty account Evolve Elsevier Education Portal prior to the beginning of the semester. Elsevier will send you a course number ID you will need to provide to the students. The students will need this course number ID in order for them to register and access the course material on Evolve. The course number ID can be emailed and/or posted in the course announcements in the course shell.
