| <b>Credit Verification (Institution):</b>                                                                                                                                                                                                                                                                                                                                   |
| Students receive a physical card. Institutions can make a copy of the front and back of the card. Cards contain information about the authorized trainer who issued the card, and plastic cards have a QR code on the back that provides contact information for the OTI Education Center who processed the card. Trainers are required to maintain records for five years. |
| <b>Credit Verification (Student):</b>                                                                                                                                                                                                                                                                                                                                       |
| To receive credit, provide your institution with their preferred form of proof of your card. They may request a copy of the front and back of your card and/or ask you to present your card to someone.                                                                                                                                                                     |
| Student credentials should be provided to MVTPC office along with student's permission to post either by bulk upload through Tech Prep Portal or individually at <a href="http://www.mvtechprep.org">www.mvtechprep.org</a> .                                                                                                                                               |
